### **PROFESSIONAL PROFILE:**

Dan Biere serves as President of Construction Services, Inc., a wholly owned subsidiary of R&R Realty Group, providing professional construction management and contracting services. Dan leads a staff of professionals dedicated to developing long-term relationships with our construction partners.

In his twenty-six year career, Dan completed more than \$450 million of construction. Dan is known for his ability to manage people and is an accomplished proponent of value engineering, allowing several projects to cut costs without scaling back construction or programming.
