PROFESSIONAL PROFILE:

Steve Bennett serves as President of Des Moines Construction Services, Inc., a wholly owned subsidiary of R&R Realty Group. Steve is responsible for overseeing and directing all construction services in the West Des Moines, Iowa office. Steve will manage all Project Managers, Project Engineers and Superintendents through all phases of the construction. He is highly respected in the industry for his knowledge in multiple building systems.

Steve has an extensive experience list that includes healthcare, retail, commercial office, education, manufacturing, and the aircraft industry. He has also served as an Owner's representative for a privately held Fortune 500 company. This knowledge base allows Steve to handle all challenges that occur in construction.

Steve's strength is in providing personalized service, as is evidenced by his repeat client list. Steve has twenty-nine years of experience in the construction industry. His ability to understand the owner perspective ensures a smooth transition from pre-construction development to the construction phase and hand off to the Project Manager.
